

Barrier Mesh Roll - Fabric Type 50m

SKU: BMRF5

Highly visible red woven fabric featuring onion mesh style barrier, accented with yellow bands. This 900mm x 50m roll comes equipped with heavy-duty ropes along both top and bottom edges for added durability.

Introducing HEIGER's Economy Woven Fabric Barrier Mesh, perfect for short-term applications and hassle-free installation. Crafted with UV-resistant onion mesh fabric, this product features top and bottom straps for swift attachment to support posts. Available in convenient 50m x 900mm rolls, it's the go-to choice for cost-effective barrier solutions. Our orange safety mesh, adorned with yellow stripes on highly visible red, is further enhanced with heavy-duty ropes at both ends. HEIGER offers pallet quantities for significant savings: each pallet contains 70 rolls, ensuring ample stock for your needs. With speedy delivery to Sydney, Melbourne, and Brisbane, buying in bulk has never been easier! Designed for quick setups and short-term projects, our economy fabric safety barrier mesh is lightweight for effortless transportation around your site.
