

## Barrier Mesh Roll - Orange Guard Mesh 50m

SKU: BMRG5

Protective Guard Mesh - Roll measuring 50m in length and 900mm in width, constructed from tightly woven UV resistant orange fabric mesh.

This mesh is engineered with an open weave pattern, promoting superior airflow to minimize the risk of structural collapse, particularly in construction or industrial settings where ventilation is crucial. Its UV-resistant properties ensure it can withstand prolonged exposure to sunlight and harsh weather conditions without deteriorating, making it an ideal choice for outdoor applications. The vibrant orange color enhances visibility, effectively signaling hazards or demarcating restricted areas for safety purposes. Additionally, the mesh boasts tight stitching that prevents fraying or tearing, offering long-lasting performance even when subjected to cutting or abrasion. Each roll is generously sized at 50m in length and 900mm in width, providing extensive coverage for various project requirements. For larger-scale projects or bulk orders, the mesh is conveniently available in pallet quantities, with 35 rolls per pallet, streamlining logistics and storage arrangements. Enhanced airflow: The open weave pattern facilitates better airflow, reducing the likelihood of collapse in various applications. UV resistant: Designed to withstand prolonged exposure to sunlight, ensuring durability and longevity in outdoor environments. High visibility: The bright orange color enhances visibility, making it suitable for areas requiring increased attention and safety measures. Durable stitching: Featuring tight stitching, this mesh is resistant to fraying or tearing, even when subjected to cutting or other stresses. Generous dimensions: Each roll measures 50m in length and 900mm in width, providing ample coverage for a wide range of applications. Bulk packaging: Available in pallet quantities with 35 rolls per pallet, facilitating convenient transportation and storage for larger-scale projects.

### Specification

colour:	High visibility orange
finish:	UV Resistant
pallet-quantity:	35 Rolls / Pallet
length:	50m
height:	900mm
