

Barrier Mesh Roll - Premium Heavyweight Orange 50m

SKU: BMRPHO5

High-quality orange barrier mesh, available in 30m x 900mm size for pickup or delivery. Includes a 3-year outdoor warranty.

Experience top-tier performance with our premium barrier mesh, tailored for barricade fencing applications requiring fewer support posts, extended use, or repetitive tasks. Crafted from exceptionally rigid plastic, this mesh outlasts other types, ensuring robust and long-lasting performance. Available in striking orange, our 30m x 900mm rolls offer bulk purchasing options, with 20 rolls per pallet, enabling substantial cost savings. Its extruded plastic type boasts superior rigidity, requiring fewer support posts compared to alternative meshes. Built extra heavy-duty, it's the perfect choice for enduring projects or frequent use, backed by a reassuring 3-year warranty. Ready for immediate dispatch, our stock is available for swift delivery across Australia. Key Features:

- Crafted from rigid plastic for superior durability
- Ideal for barricade fencing with fewer support posts
- Extra heavy-duty construction for long-term and repetitive use
- Available in vibrant orange color
- Bulk purchasing options with 20 rolls per pallet
- Comes with a 3-year warranty
- Ready for immediate shipping across Australia
