

Blue Safety Flagging & Bunting 30m

SKU: FBBS3

Triangular PVC flagging in vibrant blue, arranged on durable heavy-duty rope, offering a length of 30m.

Triangular flags mounted on robust rope, perfect for delineating no-go areas, excavation zones, and onsite hazards. Crafted from UV-stabilized material for prolonged durability, this safety flagging, also referred to as bunting or flag-on-a-rope, ensures enhanced safety on site. Easy to set up and available in various colors, including vibrant orange. Each box contains 40 rolls, with 960 rolls per pallet, weighing approximately 500g per roll.

Features:

- Length: 30m roll
- Triangular flags in blue
- Made from UV-stabilized PVC material
- Simple installation process
- Option for other colors
- Packaging: 40 rolls per box, 960 rolls per pallet
