

Orange Safety Flagging & Bunting 100m

SKU: FBOL1

Triangular PVC flagging in vibrant orange, arranged on durable heavy-duty rope, offering a length of 100m.

Extra long triangular flags mounted on robust rope, perfect for delineating no-go areas, excavation zones, and onsite hazards. Crafted from UV-stabilized material for prolonged durability, this safety flagging, also referred to as bunting or flag-on-a-rope, ensures enhanced safety on site. Easy to set up and available in various colors, including vibrant orange. Weighs approximately 1.75kg per roll.

Features:

- Length: 100m roll
- Triangular flags in orange
- Made from UV-stabilized PVC material
- Simple installation process
- Option for other colors
- Weight: Approximately 1.75kg per roll
