

## Retaining Pins - 150mm (500 Pack)

SKU: RPA150

HEIGER retaining pins are designed to provide durable and secure solutions for geotextile fabric and erosion control matting in various soil conditions. Our range includes 300 mm pins, ideal for loose topsoil, and 150 mm pins, perfect for firm compacted soils. These versatile pins are essential for erosion control, landscaping, weed mat installation, and more.
